

## Pennsylvania College Fair List

**PACAC would love to have secondary school counselors more fully benefit from our organization!** PACAC is a non-profit educational organization comprised of over 1000 secondary school counselors, college admission counselors, independent educational consultants, and other educational professionals who guide students through the post-secondary school transition. Please visit our website [www.pacac.org](http://www.pacac.org) to do more research about all our organization has to offer and also to become a member!

Each year, PACAC puts together a list of college fairs that take place throughout the Commonwealth of Pennsylvania. **It is posted/ marketed on our website in the spring of each year.**

This list serves three purposes:

- 1) Help Admission Representatives plan their travel;
- 2) Help counselors to see where to send their students;
- 3) Help families to see what college fairs are taking place in their area.

We encourage organizers to avoid Regional College Fair times and National/Religious holidays. We also encourage organizers to choose a date that does not conflict with another program **to ensure that you get the most participation from colleges and students.** While we may give suggestions for the best time to have your fair, given the dates of other events in your area, being on this list **does not** make you a PACAC-sponsored fair.

Please **complete the online form** <https://www.surveymonkey.com/s/2015-2016PACollegeFairList> **by March 31, 2015.** A PACAC coordinator will contact you with regional conflicts and/or confirm your date to be posted on the website in early April.

**To avoid conflicts, please keep the following dates in mind when selecting your date for 2015-2016:**

*Rosh Hashanah* – September 14-15, 2015      *Martin Luther King Day* – January 18, 2016      *Passover* – April 23-30, 2016
